This was a joint meeting with the ARES group with Walter Rheingans from the SLO County Communications Dept making a presentation at the latter part of the meeting. Introductions of all of the folks present were made.

Thank you to Bob Miller and especially Larry and Char Miller for putting on another successful Tailgate breakfast.

Bill McFarlen spoke briefly on the events of the previous weekend at the Nor Cal Dx Convention in Visalia.

Larry Miller detailed the general Field Day plan and layout. The call sign will once again be W6R 2A plus we will have the GOTA station setup once again.

May 18th is the date for the BBQ at Heilman Park in Atascadero.
Bob Miller will be at the grill!
Time is 11:30am

Cliff Buttschardt gave an update on the Piedras Blancas Lighthouse project. Everyone who wants to come out and operate this summer must fill out an application for Docent. Cliff has those applications.

The meeting was adjourned at 21:08 hours.

Respectfully submitted, K6AJ Editor
